60. Easy to keep, easy to take.
61. Easy to store, easy to use.
62. Simple to store, simple to take
63. Easy to store, simple to use.
64. Easy to use, simple to store
65. God damn it's about time
66. You've waited for a year. Don't wait another 2 weeks.
67. You've wanted it to be over for 50 weeks. Don't make it 52.
68. You've wanted it to be over for 50 weeks. Why make it 52?
69. You've waited 50 weeks for this. Don't make it 52.
70. No need to wait 2 more weeks.
71. No one wants to wait 2 more weeks.
72. You've waited long enough.
73. You've waited long enough. Just take it and leave
74. Take it and never come back. Seriously
75. Just take it and never come back.
76. Don't come back. Seriously.
77. Don't come back. Seriously, you're good.
78. And don't come back. Seriously, you're good.
79. We don't wanna see your face again. One dose is enough.
80. We'll never see you again. One dose is enough.
81. Your doctor doesn't have a second date with you
82. Sorry doctor, I don't need to schedule another appointment.
83. No doctor, I don't need to schedule another appointment.
84. No Doctor, you won't see me again in 2 weeks.
85. One dose is enough
86. We don't need second chances
87. No need for second chances
88. No need for a back-up dose

89. No need for back ups
90. What's with all this second dose talk?
91. If you need a second dose, the first one wasn't good enough.
92. A shot so good you don't need a second one
93. A shot so effective you don't need a second one
94. A shot so effective it doesn't need back-up.
95. A dose so good you don't need a second
96. Why get 2 shots when you could just get 1?
97. Nobody wants more shots than necessary.
98. There's no way we can inject kids more than necessary.
99. We can't give kids more shots than necessary.
100. Because your kid doesn't want more shots than necessary
101. Even your kid doesn't want more shots than necessary
102. Just try giving a 5 year old twice as many shots
103. Just try giving a 5 year old a second shot
104. Just try giving a 9 year old more shots than necessary
105. Just try giving a 9 year old more shots than needed
106. Hydroxychloroquine wishes he was me
107. Everything hydroxychloroquine tried to be
108. Everything hydroxychloroquine pretended to be
109. Dr. Fauci approves. Need we say more?
110. Fauci approved. Need we say more?
111. Fauci approves. Anything else?
